NOW THAT THE TUMULT and the shouting has subsided and the political analyists have almost finished with their analyzing of the election, we can all get on with our own business.

The first noticeable result of the election, as far as our office was concerned, was the decrease in the volume of mail received daily.

During the campaign there was a deluge of press releases, brochures, and circulars advocating or opposing various candidates and propositions.

It really was remarkable how light our mail was the day after election.

It was just like someone had shut off the spigot.

And come to think of it, that's just about what happened.

-o-

OUR ENDORSEMENTS in the issue just prior to the election caused only one casualty to our subscription list, as far as we have been able to determine.

At least that is the only one we heard about.

This speaks pretty well for the attitude of the average voter.

They recognized, apparently, that our endorsements or recommendations were merely our own viewpoint. The voter could agree or disagree as he saw fit without making a federal case out of it, by canceling his subscription.

We doubt very much that our recommendations did much to influence the voters... In fact, in our own household, our little wife, Dorothy, didn't go along with some of the recommendations. (But she's not the one who canceled her subscription.)

The voters agreed, incidentally, with only about half of our suggestions.

By the way, we meant to mention this before, so we will throw it in here: Within the city limits of Campbell, there are 8,291 registered voters, broken down this way: Democratic, 4,839; Republican, 3,053; declined to state, 321; miscellaneous, 78.

CHARLIE COLE, of 1166 El Solyo, well known handwriting analyst had a word of warning this week for local residents which had nothing to do with handwriting.

Charlie explained that those residents in the area who had their house numbers changed last spring after the telephone directory was distributed should contact the phone company to be sure the new directory will have the new number instead of the old one.

Based on his experience, he does not think the change will be automatic.

If you recall, last spring about 3000 house numbers were changed in the Campbell area

City awards Campbell Ave contract for $349,618

Campbell's most ambitious street improvement program in this city's history got off the ground Monday night when the City Council awarded the contract for Campbell Avenue for $349,618.88.

Leo Piazza Company was the successful low bidder for the project which will extend from Winchester Blvd. to the western city limits. The job includes traffic signal installation at Winchester and also at San Tomas.

William Wren, acting public works director, reported also that the Hamilton Avenue improvement project should be ready to go to bid next month. This job is estimated to cost more than $200,000.

The Council also gave the go ahead sign for the improvement of Esther-Latimer. This includes the widening and resurfacing of Esther and the improvement of Latimer to First Street. It is estimated that this project will cost about $36,700.

All the street improvement work will be financed through a complicated arrangement involving gas tax funds, street bonds, storm drain bonds, and property owners assessments.

Work on the Campbell Avenue project, which when completed will include four moving lanes of traffic, is expected to start within 15 days, weather permitting.

The low bid for the Campbell Avenue job was less than the engineer's estimate of $362,861.50. Five contractors submitted bids ranging from the low of $349,861.50 to a high of $394,589.45.

The project was broken down into 28 categories for the purpose of the bidding, with the asphalt concrete work listed as the most expensive. The singalization of the two intersections comes to $36,800 and the road excavation will cost $42,536.48.

At the meeting Monday, the Council officially set the salary of Wren as acting public works director at $951 per month.

Because Wren has not yet been approved as a registered civil engineer, the Council Monday employed Thomas Williams on a retainer fee of $21 per hour (minimum of $150 per month) to act in this capacity.

Humane act wins award for students of Dover

Students of Dover School received a plaque and cash award on Tuesday at 1:30 p.m. for a kind deed performed by the youngsters on the last day of school in June.

The Humane Society of Santa Clara Valley is making the first annual Nina Croft award of the plaque and $25 for the kindest deed from human beings to animals. The students have agreed to use the money to purchase books on animal care for the Dover School Library.

The case in question (labeled "Rover of Dover" by The Press) involved a dog with a deep gash on his neck who wandered onto the school playground on the last day of school.

Fifth graders staged a spur-of-the-moment, whirlwind fund-raising campaign to pay for medical expenses for the dog. They raised $19 from their classmates. Much of the money raised had been set aside by the kids for their last day parties.

William D. Gilbert, their teacher, cooperated with the students. He rushed the dog to the Central Animal Hospital where the pup underwent surgery. He also prevailed upon Dr. Patrick Baymiller, of the hospital, to accept the youngsters' contribution.

After the animal's discharge from the Central Animal Hospital, Mrs. Virginia Williamson, secretary of the Campbell Chamber of Commerce, cared for the dog, (now named "Jake"), until a permanent home was found for him.

"Jake" now belongs to young Jack Taylor, his three brothers, a sister and four cousins living next door in Milpitas.

The $25 cash award that is being made by the Humane Society as part of a $1500 bequest made to the Society by Mrs. Nina Croft who died in 1955.

Four students, who took an active part in the spontaneous fund campaign received the award for their class. They are Greg Walker, Jim Caravelli, Steve Welker and Jim Callner.

BACK IN JUNE--Students of Dover School on Tuesday received a plaque and a $25 cash award for a humane act they performed on the last day of school. They took up a collection to help defray medical expenses for a badly injured dog that had wandered on the schoolground. Here four of the youngsters are shown around Dr. Patrick Baymiller and the pooch just before the dog underwent surgery. The four, left to right, Donnie Nelson, Jim Grilli, Jim Callner, and Steve Welker.

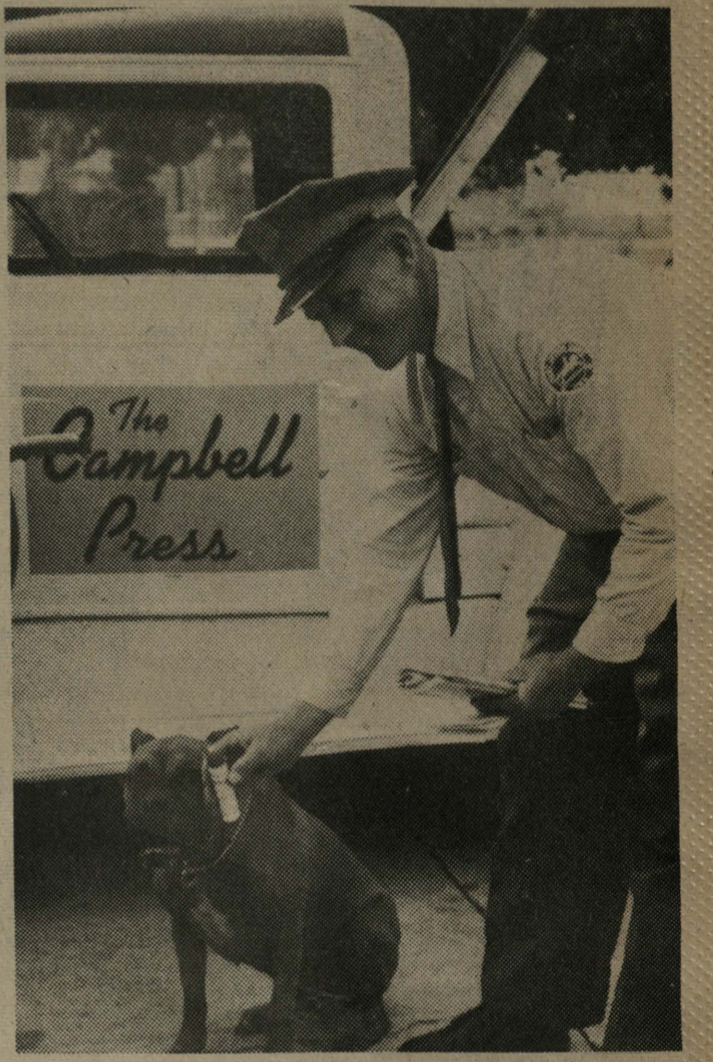
Creek battle rages

Campbell brought up its heavy artillery this week in form of a proposed zoning change in the battle over a 10-acre parcel on Los Gatos Creek near Camden Avenue.

Directors of the Santa Clara Valley Water Conservation District, owners of the land, have announced that the 10-acres will be offered for sale as prime industrial land for $275,000. Campbell officials feel that it should be retained for park purposes. The district, however, has agreed to wait for 40 days before offering the land for sale to the public

This week Campbell initiated action that would change the zoning of the land all within the city limits, from industrial to recreational or agricultural. In effect this contemplated zone change would prevent SCVWD from selling the land for industrial purposes.

The 10-acre plot is part of about 100 acres that the water district acquired for percolation ponds along the creek. More than 80 acres are now being developed for the ponds and the 10 acres is in excess. The district is in the process of filling and compacting the 10 acres in preparation for sale. The land in question now adjoins industrial zoned land.



WITHOUT A WHIFF--YET--Postman Virgil Williamson shows "Checkers", a boxer with an unenviable record as far as mailmen are concerned, the new weapon that has been issued to mail carriers to ward off obstreperous canine characters. "Checkers" seems to have assumed a "wait-and-see" attitude. She hasn't had a whiff yet of the repellent in the aerosel container.

Postmen use spray to keep dogs away

Rarely do the elements prevent the mailmen from making their rounds. But sometimes dogs have been known to halt or delay the distribution of the mail. It now appears that the dogs have had their day.

Campbell postmen are now making their rounds confident that finally they may have the upper hand as far as dogs are concerned. Each mail carrier has now been armed with a small container that expels a harmless spray repellent which deters any dog from becoming overly belligerent.

The aggressive attitude of dogs on a mail carrier's route has long been an occupational hazard for postmen. Dog bite account for 18% of all injuries to postal employees every year, the post office reveals.

By pressing the control on the top of the container, the spray is directed at the eyes of the dog. The spray has no harmful effect on the animal. The dog just retreats and seldom bothers the mailman again.

Humane societies have voiced no objections to the repellent and many dog owners have indicated it will lessen their worry that their dog will bite the carrier.

According to postal officials, most dogs (and dog owners) seem to have taken this new approach for better service by the postal department philosophically. If it works, all concerned (except perhaps the dogs) will be happier.

Even "Checkers", who resides with Mr. and Mrs. George Vierhus at 1072 Ridgeley and who has the dubious distinction of being one of the most notorious mailman-molesters, seemed resigned and noncommital (above photo) when Postman Virgil Williamson, of 303 Friar Way, Campbell, carrier on his route, explained the situation to her.

But it might not have been a fair test.

It was a case of no WOOF without a WHIFF.

B of A. branches to mail $100,000

Campbell's two branches of the Bank of America, Campbell and Hamilton Plaza, will distribute a $100,000 pre-Christmas present to the residents of the area beginning Friday, November 13.

Ted J. Regas, manager of Campbell, and O. S. Sorenson, manager of Hamilton Plaza, reported this week that the Christmas Club savings accounts for the two branches total $100,000. Checks are being sent out to local residents in time for the holiday shopping season.

The local savings are part of $79.6 million accumulated by nearly 450,000 Californians in Bank of America branches throughout the state since last Christmas.

The Christmas Club checks will average $178.35, up substantially, $25.33 from last year.

Council names Reba Chappell to parks post

Mrs. Reba Chappell, of 312 Christopher, widow of former Councilman Jack Chappell, was named to the newly-formed Parks and Recreation Commission on Monday night by the City Council.

The appointment of Mrs. Chappell completes the membership of this commission which replaces the former Parks Advisory Committee.

At the first organizational meeting of the commission, John D. Kelly was elected chairman.

Mrs. Betty Grizzle was named vice-chairman and Mrs. Edith Morley secretary.

Editorial

Crystal ball cracks

Campbell Union (elementary) School District officials are concerned that the general public might get the impression that the district misled them at the recent $5 million bond and state aid authorization election.

The district has now discovered through a house and enrollment count that there is a "slump" in building. The district thus cannot qualify at the present time for the state aid building program.

In order to keep pace with the explosive growth that the district has undergone during the past 18 years, a formula has been developed based on enrollment and new building that has made it possible for the district to accomodate the ever-increasing enrollments.

This formula has been used to get the needed funds from the state to build the additional schools that were needed and thus take care of the new crop of youngsters that arrived each year.

Of course, this is over-simplifying the situation. The financial assistance rendered a district is part of a complex cooperative arrangement that is difficult to define in layman's language.

Basically the "house-count" part of the formula means that a survey of the area is made and houses (including apartments) that are under construction are enumerated. This is supposed to help show them how many kids to expect in the foreseeable future in the schools. District officials planned accordingly and got the dough from the state to add the necessary classrooms.

This formula worked splendidly in the past years. The projection for two years ahead has always been pretty accurate.

But, lo and behold, the current house count with present enrollment has not come up to the projections. So the district now must delay some of the building that had been planned and talked about prior to the bond election.

But district officials should not be condemned for this unpredicted crack in their crystal ball.

We doubt very much that any citizen in the district who voted for the bonds and state aid will criticize the district officials for not knowing that there would be a slight recession in the construction field.

As a matter of fact, there are many who sincerely hope that the leveling off period has been reached. We think even many of the school brass are wistfully and wishfully hoping the same thing.

But district officials feel, and we are inclined to agree with them, this is "slump" or "recession" is only for a temporary period.

Soon the "boom" that has been in existence for so long will again be booming.

And with the "booming" comes the headaches and the need for planning for more schools to keep pace with the explosive growth that keeps on exploding.

But we think the district people should not be concerned about their "image", as it were.

Theirs is not the only crystal ball that has cracked at times.

District dedicates new school

Rolling Hills School of the Campbell Union (elementary) School District will be formally dedicated this Friday, November 13, at 2 p.m.

The school was completed in February of this year but was opened for classes in September, 1963. It is located at 1595 More Avenue, Los Gatos, off Pollard Road.

When the school opened 550 students were enrolled. There are 630 now in school, all seventh and eighth graders. The school has 16 regular classrooms and five special rooms. Facilities also include a library, auditorium, kitchen and administration quarters. Two portable classrooms are also in use.

On Wednesday, November 18, dedication ceremonies will take place for Hazelwood School (just off Virginia Avenue).

RAIN DROPS!!!

It was still raining when The Press got the tabulation from the Campbell Water Company for the rainfall to date (at 8 a.m. on Tuesday, that is.)

So far 3.26 inches of rain had fallen this season (from July 1) compared to a normal of 1.40 and 2.36 inches on the same date last year.

During November (up to Tuesday) 2.09 inches had fallen with one inch coming Monday night. In October 1.01 was recorded and in August .16.

JC STUDENTS

West Valley Junior College board of trustees at the last meeting unanimously voted to recognize the organization and recently drafted constitution of the Associated Students of the college. Dave Denholm, of Santa Clara, student body president, made the presentation before the board.

CHRISTMAS JOBS

Campbell Postmaster James Hurley reported this week that the Campbell post office is now accepting applications for temporary Christmas employment at the local office. Applications may be obtained at the post office.

IN SENIOR PLAY-- A French comedy "Thieves Carnival" is this year's presentation by the Senior Class of Campbell High School. The play will be presented Thursday and Friday, November 12 and 13, at the High School Auditorium. Taking leading parts are (left to right) Craig Fox, Steve Cuevas, Tim Hegstrom and Tyler Smith.

Seniors present annual play

Campbell High School's annual Senior Play goes into its final day of preparation today, and all about the school there is an air of anticipation. "THIEVES CARNIVAL," a French comedy by Jean Anouilh, is this year's presentation. It is being directed by Lester Harrison, head of Campbell's Drama Department and is produced and staffed almost entirely by Senior students.

The play itself revolves around three pickpockets in a large French household. Senior actors include Joyce Butterman as Juliet, "a sweet, innocent thing", Sue Bodien as Lady Hurf, "an elderly Carcass", Deana Bohnsack as Eva, "a worldly widow", Tye Smith as Gustof, "a romantic young idiot", Craig Fox as Peterbono, "an ineffectual thief", and Larry Blyden as Hector, "a professional lover." Rehearsals have been in progress for a number of weeks and the performance promises to be a delightful and entertaining one.

The production will be on stage at Campbell's auditorium for two nights, Thursday, Nov. 12 and Friday, Nov. 13. Admission is 75¢ and tickets can be bought either at the door or from any Campbell Senior.

C. of C. to move into museum

Campbell Chamber of Commerce plans to move into Country Woman's Club building at First and Campbell Avenue by November 16, according to Paul Landwehr, secretary-manager of the C. of C.

The C. of C. will occupy the new quarters rent-free in exchange for the Chamber's cooperation in permitting the historical museum to be open to the public daily, Landwehr said.

The C. of C. will occupy part of the museum portion of the building.

CARD PARTY

St. Lucy's Altar Society will sponsor an afternoon card party at the parish hall on Thursday, November 12, at 2 p.m. Mrs. Joseph Fields, chairman, assisted by Mrs. Sophie Lucas, announces there will be refreshments and prizes and the public is invited. Donations can be made at the door.

City Hall briefs

HOUSE-OFFICE

King Associates, Inc. got approval from the City Council Monday to convert the residence at 1262 Hamilton Avenue into temporary office quarters. A 120-day moratorium for such requests is in effect but the Council lifted it because the firm indicated that permanent offices would be constructed at the location before September, 1965.

-0-

A STREET?

City Attorney Joseph Bonacina was directed by the City Council Monday to ascertain whether it was possible to open up Robway Avenue into the parking lot of the new Bonanza Home Center at Hamilton and Bascom. The original map filed with the city indicated that this street would end at the rear of the new center.

-0-

The Council on Monday approved the payment of $1760 for a seven-foot high chain link fence at the newly acquired corporation yard site on Dillon at the Creek. The property, formerly owned by Western Gravel, was fenced by that firm when the city began negotiations to purchase it. The city had agreed to reimburse Western Gravel for the installation.

-0-

NEW EMPLOYEE

John H. Walker has been employed by the city as maintenance man at a salary of $422 per month.

-0-

SEWER BONDS

The Council Monday passed a resolution supporting the proposed bond issue for Sanitation District No. 4.

so that the numbers in both county and city areas within the Campbell postal district would have some continuity.

Cole operates his handwriting analysis activities from his home and has a separate phone for his business.

Last year he was able to get the jump on the numbers game and had his business address changed to correspond with the new one.

But he didn't tell 'em to change his residence address also.

So he has a rather novel listing.

His business is at 1166 and his residence is listed as 746. But it's the same house.

That's making it tough for the mailman.

A PHONE CALL late on election eve at the office sort of intrigued us.

The woman caller wanted to know if we could make up a rubber stamp or had one in stock similar to that used for marking the ballot... That is, just the "X". She wanted it right now.

We could not accommodate her. At that late hour we couldn't even tell her where she could get one.

But her call mystified us. We are sorry now that we didn't find out how she planned to use it.

Each voting booth had at least one such stamp available.

But maybe our caller just didn't want to take any chances.

She was going to carry her own. Just in case.

OUR MENTION of a lack of a flag or flag pole at Campbell's city hall in this column last week provoked a number of rather caustic comments from a number of our readers.

We don't know if any of them bothered to contact the city officials. But we hoped they did, for we are convinced that our city hall should have a flag on it.

We have learned that there are quite a few residents that feel the same way.

We hope they make their feelings known where it will do the most good.

City pushes downtown plan

City Manager Bob Stephens and Richard Hogan, planning director, were directed on Monday by the City Council to coordinate a proposed engineering plan for improvement of the downtown area into the city's overall plan.

Creegan and D'Angelo, a San Jose engineering firm, recently submitted a rough draft for revitalizing the downtown area after a survey had been made. The engineers basically suggested that parking be eliminated from Campbell Avenue and a series of off-street parking areas be developed.

The rough plan was submitted recently to the Downtown Redevelopment Committee and received the enthusiastic endorsement of that body.

Stephens was also directed to ascertain the engineering costs for such a development.

Mrs. Jean M. Buck, 4948 Harwood Road, San Jose, was granted by the City Council Monday a permit to solicit newcomers moving into the Campbell area in behalf of Community Cordiality Service, 831 Cathedral Drive, Sunnyvale.

-0-

The City Council on Monday gave first reading to a new ordinance that would strengthen the "S" or special zoning area for the city. It will give more control for architectural review.

FIRE CALLS

NOV. 3 - Rescue call, Carol Caldwell, 1052 Tollworth Drive. Patient in shock, administered oxygen, ambulance called.
NOV. 6 - Wilrock Cleaners, 393 Hamilton, Smoking light fixture.
NOV. 8 - Fire in vehicle, John Cabral, 341 Payne Avenue. Flooded carbourator.

Optimists to give awards

The highlight of "Youth Appreciation Week" activities by the Optimist Clubs of San Jose and Campbell will be the annual Youth Appreciation Week Banquet which will be held on Thursday, November 12, at the Pioneer High School.

Presentations will be made to this year's "Youth of the Year" winner and the adult award to the "Optimist of the Year." Eleven foreign students attending local high schools under the foreign exchange program will be special guests.

TRACT MAP

The Council on Monday gave approval to the final map of a proposed subdivision of Central Valley Farms, the third unit in this company's development of the area just off Budd Avenue. The map, however, will not be signed by the city engineer until some slight surveying errors have been worked out.

ZONE CHANGE

First reading was given Monday by the City Council ordinance that would change the zoning of property owned by W. G. Gibson on the north side of West Latimer. The property adjacent to the proposed San Tomas Expressway would be changed from R-2-S to C-2-S.

CUT OUT AND SAVE

A few tips on cutting the cost of winter heating bills.

The amount of your winter heating bill depends on how your heat is used—because gas rates have been going down. Here's how to keep your bill down, too.

1. Good insulation pays for itself.
Floor and ceiling insulation lets you heat rooms quickly—and cut heating costs as much as 30%. Good insulation increases the value of your home—and it will probably pay for itself in just a few seasons.

2. Heat circulation requires good ventilation.
Filters in forced-air furnaces need periodic replacement. But if you take the filter out and vacuum it you won't have to put a new one in as often. Keep wall and floor heaters clean of dust and lint to insure an even flow of air.

3. Heat dollars can go up the chimney and out the window.
Open fireplace dampers and big picture windows take away big chunks of your heat. Close the damper when the fireplace isn't in use, and draw the drapes or curtains in cold weather.

4. Weather strip now, be warm later.
Weather stripping around windows and doors plugs heat leaks, keeps out drafts. A door jamb may require a metal strip which can take the constant friction of opening and closing. Loose windows may need thick felt stripping.

5. Control temperatures (and tempers).
Agree to set your thermostat at, say 69°—and leave it there. If Junior says he's cold have him put on a sweater. Frequent changes in room temperature mean a bigger heating bill.

6. A little light on your winter bill.
Cold weather increases your use of gas or electricity for heat. Your winter PG&E bill will also reflect shorter days, longer nights, an increased use of lights and TV, more cooking and new appliances.

Service Bargain
Since 1961 there have been 3 major reductions in PG&E Rates. Today, the typical customer pays less than 30 years ago for the same amount of gas and electricity. Which means PG&E service is a bigger bargain than ever.

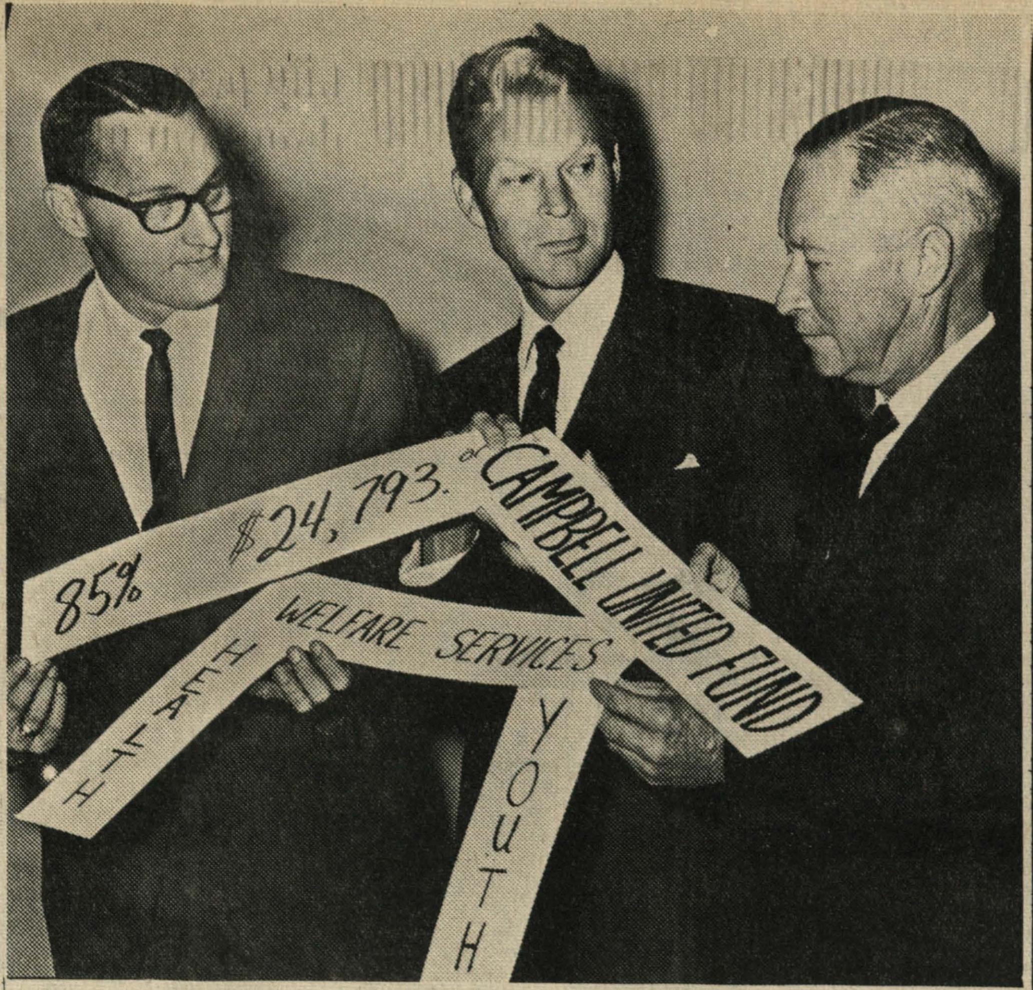
CROWN FROM UF-- Dr. Wallace W. Hall, president of West Valley Junior College, places the "crown" of achievement on Mrs. Eugen C. Andres for her United Fund leadership in the Campbell UF schools division. This year was West Valley J.C.'s initial United Fund campaign.



UNITED FUND--- Helping "build a better community" with 85% towards goal are Campbell United Fund leaders Ronald T. Tharp (left), business chairman and personnel manager at Campbell's IBM Card Plant and Oscar S. Sorenson (right), Campbell UF chairman and manager of Bank of America's Hamilton Plaza branch. General Lauris A. Norstad (center), former NATO commander, assists.

Campbell school division tops goal for United Fund

Campbell United Fund's School division is among the first to surpass its 1964 goal. O.S. Sorenson, Campbell UF Chairman and manager of the Hamilton Plaza Bank of America, explains that there are six divisions in his local campaign organization with schools right in the "top running" at this time.

Mrs. Eugen C. Andres, assistant superintendent of the Campbell Union High School District, has successfully led the schools division across the "finish line" and there are still two school districts not counted in the totals yet. This places the schools division in the position to go considerably beyond their goal by the end of the campaign on Nov. 24.

Sorenson indicates that other divisions of the Campbell United Fund are also showing good results with the overall total at this time amounting to $26,861 or 93% of goal.

Teacher of phonetic method of reading to give lecture series

Miss Mae Carden of Glen Rock, New Jersey, nationally known for her method of reading instruction in the elementary grades, will deliver a new series of 16 lectures for parents and teachers, during the week of November 15, at the Hillbrook School auditorium, 16000 Marchmont Drive in Los Gatos.

Commenting on the widespread failure of so-called "progressive" methods of education in language instruction, the distinguished educator recently stated: "Any boy or girl with an IQ of 75 or higher can learn to read. What is more, after one year of proper instruction he can read, write, and spell more than 2,000 words."

Miss Carden began her one-woman crusade against progressive methods of instruction thirty years ago and founded the Mae Carden Method of Language Arts, which is based upon a return to the alphabet and the phonetic approach. Today, her comprehensive instructional program is used in both private and public schools throughout the United States.

The Workshops are scheduled as follows:

Language Arts Workshop (three sessions) November 17, 18, 19, Tues. Wed. Thur.) 7 PM to 10 PM.

Mathematics Workshop (three sessions) November 16, 17, 18, (Mon. Tues. Wed.) 4 PM to 5:30 PM.

English Composition Workshop (three sessions) November 19, 20 (Thur. Fri.) 4 PM to 5:30 PM and November 21, (Sat.) 9 AM until Noon.

Parents, teachers, and other interested individuals wishing to enroll for either of the Workshops may obtain further information concerning them by telephoning the Hillbrook School (356-6116) or Mrs. Gilbert I. Smith at (UN 7-4054).

Marie Campbell appointed heart chairman

Mrs. Marie W. Campbell, who has been active in Civic and community service organizations most of her life, has been appointed Heart Sunday chairman for the 1965 Heart Fund campaign.

Selection of Mrs. Campbell was announced by Dr. A. J. Monty, general chairman of the Santa Clara County Heart Association's annual campaign.

Mrs. Campbell will organize the efforts of more than 9,000 volunteers who will stage a door-to-door campaign in February for funds to support the HA work in research, education and community service.

Mrs. Campbell, who in October was named "Woman of the Year," by Loma Prieta Chapter of the American Business Women's Association, is a charter member of the Santa Clara County Fair Board of Directors, she has served in this capacity since 1939.

Medal of Honor holders elgible for VA care

Holders of the Congressional Medal of Honor are now eligible for full medical and hospital care in Veterans Administration hospitals, Glenn Corbitt, Manager of VA's Northern California Regional Office announced today.

This benefit followed the action of President Johnson in signing the bill passed by Congress to authorize such care, regardless of whether the disability for which such care is sought was due to wartime or peacetime service.

Those Medal of Honor winners who performed their qualifying acts of heroism during wartime are also entitled to a payment of $100 a month if they are age 50 or older. A bill to award the same payment to those whose acts of heroism were performed during peacetime is now being considered by the Congress.

The most recent records show that there are 284 Medal of Honor winners living, Corbitt said.

Veterans launch toy drive

Disabled War Veterans Salvage Shops and Crafts, Inc., this week opened its annual month long toy roundup to collect used toys in good condition, according to DWV manager Irving R. Cabral.

The toys will be distributed to needy youngsters at Christmas, Cabral said. Dolls are the most wanted, since they will be dressed by local Girl Scouts as their part in the city-wide "Project Santa Clara Santa," which gives toys and food to needy families.

Last year, more than $1000 worth of toys were given to underprivileged children through the shops at 935 Washington St., Santa Clara.

Persons who wish to donate toys may call 296-2553 for free pick-up.

Contemporary Affairs opens ne series at Westmont Adult Center

Charles Robinson, discussion leader at Westmont Adult Center of the Tuesday evening Contemporary Affairs Discussion Group, will open a new series "Make Up Your Own Mind" following the closing of "Campaign Issues Discussions".

The "Make Up Your Mind" series will deal with editorials from well known newspapers across the United States, will sample national and state issues primarily, and some local issues.

The spring series will include discussions of general problems of urbanization, the highway sprawl and its dislocations, water purity & limitations, the new epidemics, disposal of modern age wastes, social effects of river, bay and sea pollution, and uses of research personnel to develop solutions to these and other topics.

Brainstorming and creative thinking will be tried and discussed as modern day skills needed in all walks of life.

Persons wishing to enroll in this course, the Christmas Arts and Crafts program, and S.M.S.G. Mathematics program for parents, English for parents or other open adult courses should call Campbell Adult Education, 379-4710 or visit the Adult School office at 1945 Winchester Blvd., 8:00 A.M. to 9:00 P.M. Monday thru Thursday and 8:00 A. M. to 5:00 Fridays.

Intern teaching applications open at SJSC

Applications for San Jose State College's elementary intern teaching program, now in its eighth year, are now being received, according to Dr. William G. Sweeney, dean of the Education Division.

The elementary intern teaching program is open to graduates of any accredited college or university who are interested in teaching but who have a degree in an area other than education. Applicants should have a high grade point average, a broad liberal arts background and a strong desire to work with children.

Under the program, the new internees will attend the 1965 Summer Session and then be placed in a teaching position in the public schools for which they will be paid regular salaries. During this year of teaching, the internees are supervised by members of the college elementary education department faculty. Enrollment in a second Summer Session is required before the internship program is completed.

Anyone wishing to apply for the elementary intern teaching program should write to Dr. Robert Ramonda, Director, Elementary Intern Program, San Jose State College.

THAT FEMININE TOUCH

By Dolores Keywood

Do you have five minutes?

Are you one of those mothers who must drive the children to school in the early a.m.? Or, because you need the car during the day, you drive your husband to work or to the train or bus depot?

If your answer is "yes", my next question is, "How do you look to the members of your family, en route?" Then in case of motor trouble or running out of gas, would your appearance prevent you from seeking assistance from a passer-by or even a garage mechanic?"

There are those women who wouldn't be seen out of the house, without brushing their hair, applying lipstick and being generally well groomed. Unfortunately, however, there are far too many women with an entirely different attitude.

I have seen women depositing their youngsters at school while still wearing their night gowns (flannel, yet) and a coat thrown over the shoulders.

At the train or bus depots men are often seen forcing themselves to kiss their wives good-bye only to get poked in the eye by a hair roller.

Or, think about the female who has the audacity to drive her husband directly to the office looking like something the cat dragged in.

I know I don't have to tell you it takes no more than five minutes to put on a little cotton shift or a pair of capris and matching sweater, brush your hair and add a little lipstick.

Consider the same five minutes when you're going to "run down" to the grocers. You'll find the clerks far more helpful and certainly more pleasant.

It is true, you cannot always see yourself as others see you, so why take chances? Don't be caught off guard. You may need someone to help you with a flat tire or an empty gas tank and you'll get assistance a lot faster if you've spent five minutes on your appearance before leaving for those fast errands.

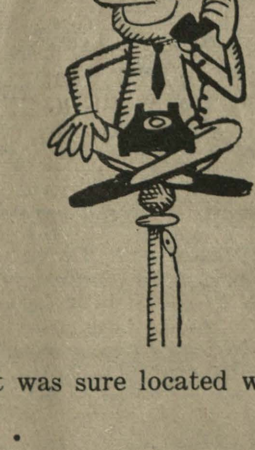
what's doing?



Nowadays you find extension phones wherever people live a lot — in the kitchen, workshop, bedroom and patio. But here's one that tops them all! When the world's champion flagpole sitter took his lofty perch on Atlantic City's boardwalk, one of his first requests was for a phone. He got one. An extension was connected to a nearby hotel switchboard and run up the pole to him. It may not have saved the champion any steps, but it was sure located where he lived a lot.

Olympic Games always provide a world of thrills—the great sportsmanship, the new records, the friendly goodwill among nations. And with each Olympiad come marvelous changes that win no medals but add enjoyment to these events. This year, for example, Americans could watch the impressive opening ceremonies *live and direct* from Tokyo via a communications satellite. And, Americans in Japan sharing Olympic thrills with folks back home enjoyed telephone conversations as clear as crosstown calls—thanks to the recent opening of the first telephone cable between America and Asia.

A telephone customer just solved a mystery. You see, she frequently came home to find her telephone off the hook. It turned out to be the work of her pet dog. Seems that whenever the phone rang, Fido would do the customary thing; he'd answer it. He'd just jump up on the table, push the handset off, and bark into it until he heard a voice from the other end. So the customer ordered a *Bell Chime* ringer through her telephone business office in the hope that her dog will be fooled when a melodic chime takes the place of the familiar telephone ring. Doggone good idea!

Husbands invited to dinner party

Los Gatos Lodge will be the scene of a festive dinner party Monday evening, November 16, when the Campbell Country Woman's Club, husbands and guests, gather for an evening of sociability.

Mrs. E.C. Price, chairman, announces that the guest speaker will be Howard Nelson, travel advisor, who will give an address entitled "Hats Around the World." Sandra Claire Thomas, granddaughter of club member Mrs. Anthony Jurras, will entertain with Hawaiian dances. Those on the committee planning the affair are Mesdames Jack Chappell, L.W. Critchlow, Eleanor Gleed, Elmer Hoerler, George M. Leigh and C. W. Shockley.

Conservationist addresses local Garden Club

Mrs. Morris Feinleif, life member of the Sierra Club and member of their conservation department for many years, will address members of the Campbell Garden Club at their meeting today at the Congregational Church, at 1:30 P.M. Mrs. Feinleif will show slides and her subject will be "Garden of the Gods."

Club members will display Christmas decorations and artwork in the Christmas Tree Lane Show at the San Jose Civic Auditorium on November 21, 22, and 23. Mrs. Paul Otten will be committee woman for this project. The club recently enjoyed a bus trip to the Oakland Holiday Decorations Show at the Oakland Auditorium. Mrs. James Hartman, past president, will give timely horticulture hints at today's meeting.

Travel agency plans opening

The public is invited to the formal opening of Imperial Travel Service at 389 E. Campbell Avenue on Thursday, November 12, at 1 o'clock. There will be orchids for the ladies and refreshments will be served. Mayor Charles Rose will give the welcoming address and Miss Campbell (Patricia Rhine) will cut the ribbon.

Invitations have been extended to local businessmen as well as city officials and representatives of the Campbell Chamber of Commerce. The Imperial Travel Service is owned by Mr. and Mrs. Alfred R. Beck. Open house will be extended to November 13 and 14.

Church bazaar will feature Christmas gifts

Unusual and handmade Christmas gifts will be available at the bazaar planned by members of the Women's Society of Christian Service at the First Methodist Church of Campbell on Friday, November 20.

The bazaar theme, "Holiday Shopping Mart" will feature Christmas decorations, resin craftwork, sewing notions and fancy work, hand puppets, doll clothes, and many other attractions. Luncheon and a dinner will also be served. The doors to the Fellowship Hall will open at 11 a.m. and will stay open until 9:00 p.m. in the evening. Proceeds will go towards the Missionary Program. ILLUSTRATING—Bob Persky, eighth grade teacher at Rolling Hills (right) checks on a point made by Matt Pendo in his lecture "Using the Oscilloscope" to seventh and eighth grade teachers during Campbell Union School District's third annual Good Teaching Practices Day. Teachers learn of new methods of instruction

Campbell Union School District teachers had their choice of 70 different presentations offered to acquaint them with good teaching practices last week. All 438 of them attended the third annual Good Teaching Practices Day held this year at Rolling Hills School.

They were exposed to an array of choices, from which they could attend three sessions plus a display of instructional materials in the school auditorium. Eleven companies showed the latest teaching aids, from filmstrips to science libraries. The 70 presentations by fellow faculty members ranged from current events to Hispanic-American Folk Songs—from individualizing the spelling program to introducing the atom.

Some other choices included discussion of new math, social studies, helping the superior reader, specific activities for second grade science units, using the overhead projector, language for the kindergarten, reading activities and seatwork correlated with language, handwriting helps, geology in grade three, and bulletin board ideas for first grade.

There was an abundance of material on mathematics, up to introducing the slide rule in grades 7-8.

There were special meetings for homemaking teachers, art teachers, industrial art (shop) teachers, and seventh and eighth grade vocal music teachers.

Chairman was Al Watson, general consultant for the district. It was sponsored by Campbell Elementary Teachers' Association.

Spilled gasoline touches off fire

Fire destroyed a garage and part of the home of Sidney R. Fowler, 555 Emory Avenue, November 4. Spilled gasoline which came in contact with a water heater was reported as the cause of the conflagration.

Fowler's son, Robert, 18, was working on his sports car in the garage when he accidentally kicked over a can of gasoline. He had just walked out of the garage when the fuel ignited. The car and a motorcycle were destroyed but the youth was unharmed. Central Fire District fire fighters managed to check the flames after extensive damage to the roof of the house. One fireman was overcome by smoke inhalation.

WSCS meets Thursday

On Thursday, Nov. 12, the Woman's Society of Christian Service of the First Methodist Church of Campbell, will open the November meeting with a period of meditation in the Chapel, at 9:30 a.m. The Business meeting will follow at 10:00 a.m. in the Fireside Room.

Mrs. Hayden Kinbrell will be the speaker on the devotional program, "Rekindling the Inner Life Through Prayer," at 11:15 a.m. Luncheon will be served by the Florence Prouty Circle under the leadership of Mrs. Ben Johnson.

The Woman's Society of Christian Service of the Campbell church invites all interested women in the area to attend these monthly luncheon meetings. Everyone is welcome. Child care will be provided in the church nursery.

District 4 adds new offices

Construction is under way on a 1,000 square foot addition to the offices of County Sanitation District 4, at 100 E. Sunny Oaks Avenue, Campbell.

Contractor is Oscar W. Meyer of San Jose, who was awarded the job on a bid of $18,350. This is $1,000 under the estimate of Higgins and Root, the architects, according to Steve Goodman, District manager and engineer.

The addition will be used for expansion of the District engineering offices, Goodman said. This is part of a program to expand sanitary facilities in the District, he said.

The new construction is scheduled for completion in February.

County Sanitation District No. 4 includes Campbell, Los Gatos and Monte Sereno, approximately 70 per cent of Saratoga and large outlying areas adjacent to these cities.

News from Westmont

The Westmont High School Warriors are now operating under a full contingent of student body officers. The first Presidential elections were held on Thursday, October 1, and gave these results: The Warriors' Student Body President is Kim Scroggins; Vice-President is Barry Turkus; and Secretary is Alan Liss.

Other Council members are Tom Maggitti, Carlos Zaragoza, and Peggy Hollis. The student manager is Nancy Boone, while the assistant student manager is Phyllis Hall.

The Varsity Cheerleaders are Kim Kienholtz, head, Sue Wadleigh, Sue Wagner, Sharon Kelman, and Ilene Jackson; the "B" cheerleaders are Sue Stiltz and Kathy Eckstedt. Song girls are Lynn Igoe, head, Nancy Unger, Melanie Close, Rhonda Ruick, Lorraine Lawton, and Linda Flynn.

FOOTBALL

The Varsity Football staff is headed by Coach Don Stillwell, with Cross Country being headed by William Campbell, and "C" & "D" Basketball by Coach Bowling.

Although a first year school, Westmont has full facilities operating, such as its snack bar, "Nero's Nook" and the bowl shaped football undertaking tasks of an established school.

Teenagers hurt in collision

A collision at Rincon Avenue and San Tomas Road last week hurt six teenagers and a 60-year old man. The youths were Del Mar High School students on their way to a football game at Westmont High School. Both drivers and a girl passenger were admitted to Campbell Community Hospital.

Reported in fair condition were Martin M. Miljarak, 60, of 255 S. San Tomas Road, Ronald Keesling, 16, of 1286 Arroyo Seco Drive, and Gretchen Rickers, 16, of 1670 Mt. Vernon Drive. The other passengers were treated for minor injuries and released.

Old Fashion
Clanton Fruit Cake

MISS "SHOES FOR KIDS"--Miss Linda Edsinger, 19, 816 Apricot Avenue, has been chosen by the San Jose Civitans, a men's service organization, to help publicize their annual sale of fruit cakes. Funds from the sale go to purchase shoes for needy children in the San Jose area. Last day to buy the cakes will be December 18. In the past ten years the Civitans' have furnished 2,450 pairs of shoes to local children. Cakes may be ordered by calling 295-2392.

GRADE CROSSING

Camden Avenue grade crossing will not be closed when the San Tomas Expressway grade separation is constructed, the Public Utilities Commission ruled last week. Southern Pacific had requested the closing of the railroad crossing. PUC ruled that the closing would only benefit the SP and materially inconvenience the city and owners of residences and businesses on the street.

GETTING THE LOW-DOWN--Campbell city officials were recent guests of Pacific Telephone on a tour of one of the phone company's communication centers. Some of the latest equipment was demonstrated to the officials. In the picture are left to right (in the back), Harry Mayfield, Miss Iris Hodgens and Bob MacArthur of Pacific Telephone. Fire Marshal Gene Borden (left foreground) watches as Police Chief John Morgan checks the "wires" as Don Corbin, of the phone company, explains the setup. Richard Hogan, city planning director, is in the background. On the right is Mayor Charlie Rose (left) and Jack Dempsey, local Pacific Telephone manager.

Del Mar High gains distinctive mascot

PITCHER LONG

The most distinctive mascot of any area high school is certainly a fitting title for Del Mar's Pitcher Long, the 85 years young "Grandpa" whose presence in the school corridors and athletic contests has been a familiar sight for the past six years.

Born in 1879 in Lancashire, England, Long, despite his Spanish Don trappings in photographs, is "English to the core," and speaks with the North of England dialect as plainly as the day he arrived in America in 1901.

Most of his adult life "Grandpa" lived in Cleveland, Ohio, where members of his family, children and grandchildren, still reside. Long became a Californian in 1952 when he came here to San Jose to make his home with one of his children's family, now residing in the Campbell Area on Leon Drive.

When Principal George Miskulin one day encountered Long on the near finished Del Mar Campus in 1959, he suggested that Grandpa continue his walks in the area where recently cherry trees had bloomed, and become, as well, the new school's Don mascot. Long cheerfully agreed to this pleasant task, and has performed this service to the classes of Del Mar students ever since.

As much a part of the Don campus as the principal himself, Grandpa is found almost anytime near the showcase adjoining the school's plaza, where he is usually surrounded by a group of inquisitive and admiring students. He has "chaperoned" dances, plays, programs, exhibits in addition to his official duties to summon spirit to the cheering section at Del Mar's games.

He has enjoyed his recent association with young people, and urges them to "stay in school until graduation, since education is necessary if you wish to make something of yourselves in this age of the Speed of Sound."

Hornets meet Alum Rock

The Santa Clara County Hornets conclude their sessinininin clude their season next Sunday at Camden against the Golden Lions of Alum Rock. The kick-off is 1:30 p.m. Admission is free.

Last Sunday the Hornets swept to thei sixth league win and seventh season win with a 60 to 0 victory over the hapless San Jose Raiders. This victory clinches at least a tie for the West Bay Division of the Pop Warner Conference for the Darien Bennett coached Hornets. The Hornets scored 2 touchdowns in every quarter except the third quarter when the home team crossed the Raiders' goal line three times.

Saratoga wins 33-12

A speedy Saratoga High varsity grid machine had an easy time last Friday winning from Campbell High by a 33-12 score. The victors piled up an early lead in the contest and had 27 point cushion at half-time. The game featured six fumbles and five interceptions, all costly for the Bucs.

Campbell managed to get on the scoreboard once in the third quarter and once in the fourth while holding the Saratoga reserves to six points in the second half.

Saratoga tallied twice in the first quarter. The first came on a pitchout that went for 75-yards and the other on a three-yard plunge following a pass interception.

Two more TD's were chalked up by Saratoga in the second quarter and another was made in the third quarter before Campbell even got started.

Walt Womack scored for the Bucs on a 37-yard sweep around right end and Don Kinzel scored after Campbell had recovered a fumble.

Mike Malone, Frank Marotti, and Kerry Barnes stood out for the Bucs on defense while Womack and Dave McKay were the sparks in the offense.

RECORD PLAYER STOLEN FROM CAR

Keith L. Ev ritt, 24, of 291 No. Central Avenue reported to Campbell Police the theft of a record player and 200 45 rpm records from his parked car November 7. Everitt told police entry was gained through the left wing of the vehicle. The record player and albums were valued at $365. Police are investigating.

BOOK FAIR

St. Andrews School, 13601 Saratoga Avenue, will hold its annual Book Fair on Thursday, Friday and Saturday, November 12, 13 and 14th from 8:45 a.m. to 3 p.m. each day.

Del Mar Sports

by STEVE ELLS

Del Mar's C & D basketball teams, featuring court play by the smaller, lighter boys in school, are playing better games every week but the improvement won't be fast enough for the boys to have any chance for the league championchips.

So far the C's are 2-2 in league competition. The Dons beat Saratoga 56-34, October 29. High scorers were Tim Smith and Jim Samuels, 13 points each and Tony Paradiso and Pete Vivianno with 12 points each.

The D's, now 0-4 in league competition, lestto Saratoga 30-34. High scorer for the D's was Mike Murison, 9 points.

TRACK

The Del Mar Cross Country team hosted 19 other schools on Saturday, October 31, in the Del Mar Invitational. The Sunnyvale high school team came away victorious by winning both the Varsity and Junior Varsity divisions with the scores of 51 and 15 points respectively.

In the Varsity division the Dons placed eighth. Fastest Del Mar time was by Pete Wagner, 11:25, placing 28th in his division. In the Junior Varsity division Del Mar placed fourth, with 142 points. Top time was by Greg Romano at 12:25.

FOOTBALL

On Thursday, October 29 the Del Mar Varsity football team hosted Saratoga, who picked up a 26-14 victory. The Don's TDs came on a 60 yard run of a fumble recovery by Bob Bronzan and a 40 yard run by Wayne Howard.

The game was closer than it sounds because of two Del Mar touchdowns that were called back because of penalties. The Dons played Westmont last Friday at Westmont. At the present time both teams are tied for the cellar in the WSCVAL league play.

The B football team, using a tight defense, defeated Saratoga 6-0. The B's are now 2-1 in league competition. The lone Del Mar touchdown came on a 8 yard run by Freshman halfback Barry Reynolds.

Last Thursday the Del Mar Cross Country team hosted the league J.V., Soph. and Frosh runners for the league finals. The Varsity runners compete Thursday, Nov. 12 at Stanford.

WESTMONT LOSES

Westmont lost a hard-fought 6-0 battle to Del Mar on Friday on the Westmont field.

Rich Teryiam passed to Dave Rodarte for the lone score of the game. The TD came three plays into the third period and was good for 35 yards.

BLACKFORD WINS

Blackford topped Los Gatos 14-0 last Friday. The win placed Blackford into a first place tie in the West Valley Athletic League.

Blackford made its scores in the opening two periods, picking up 182 yards in so doing while Los Gatos was held to 85. But Los Gatos came back in the second half but could not score.

LEIGH WINS

Leigh High squeezed out a 20-13 win from Camden High last Friday to gain a tie for first place in the West Valley Athletic League.

The game was a thriller from start to finish, especially the finish. Doug Harlow of Leigh galloped 48 yards for his third score of the game with only 1:25 remaining. But Camden took the kickoff after the TD and drove to Leigh's 10-yard line before giving up.

David Denholm elected WVJC student prexy

A 20-year old graduate of Buchser High, who has served a hitch in the U.S. Navy since his graduation from high school, is the first president of the Associated Student Body of West Valley Junior College. He is David Young Denholm, 628 Tulane Dr., Santa Clara, winner in the first general student body elections.

A total of 537 of the 1,400 full time students holding activity cards voted, making a voter turnout of approximately 26 percent. Voter turnout is traditionally low in American colleges, and average for four-year institutions being well under 20 percent.

A new constitution, drafted by a student committee headed by Beverly Marie Alfinito, a Campbell High graduate, was approved by the voters more than four to one, the final vote being 419 for and 96 against.

Other student body officers elected yesterday included Jenifer Corrine Johnston, Del Mar High, vice-president; Miss Alfinito, secretary; and John James Hogle, Los Gatos Union High School, treasurer.
